# BALI WEDDING & HONEMOONS

## Hard Rock Hotel, Bali

[www.bali.hardrockhotels.net](http://www.bali.hardrockhotels.net)

Hard Rock eases the worry of wedding planning with specially designed wedding packages, or, if you wish to custom-design your occasion, these details will inspire your imagination.

Alan D. Wolfelt, a famous author, once wrote "Food is symbolic of love when words are inadequate". We concur.

Have that lavish yet rockin' wedding dinner party at a selection of venues around our property. Our Executive Chef and his culinary team have prepared Western, Indonesian-Balinese and halal menus to choose from, with unsurpassed Hard Rock signature service for your guests.

Write your own classic love song at Hard Rock Hotel Bali. Make it a song you can't get out of your head - an inspiring refrain designed to bind you to the love of your life forever. From 10 to 500 guests, from grand buffets to elegant seated dinners, whether you want a sweet ceremony by the largest swimming pool in Bali or an amped-up celebration worthy of a packed stadium, our professional, super creative wedding planners make your wedding dreams come true.

Talk to us. Let's make your wedding authentic.
